Initial questionnaire about the recycling

- The students under the guidance of teachers answered a set of questions related to the recycling.

QUESTIONS

- 1. As a student do you think that recycling is useful for an individual?*
- 2. Do you think it is useful to recycle for the environment?*

3. Do you think it is useful to recycle for the country's economy ?

4. Is there recycling facilities in your neighborhood ?

5. Is it easy to reach recycling facilities in your neighborhood ?

6. Do you use the recycle bins in your neighborhood ?

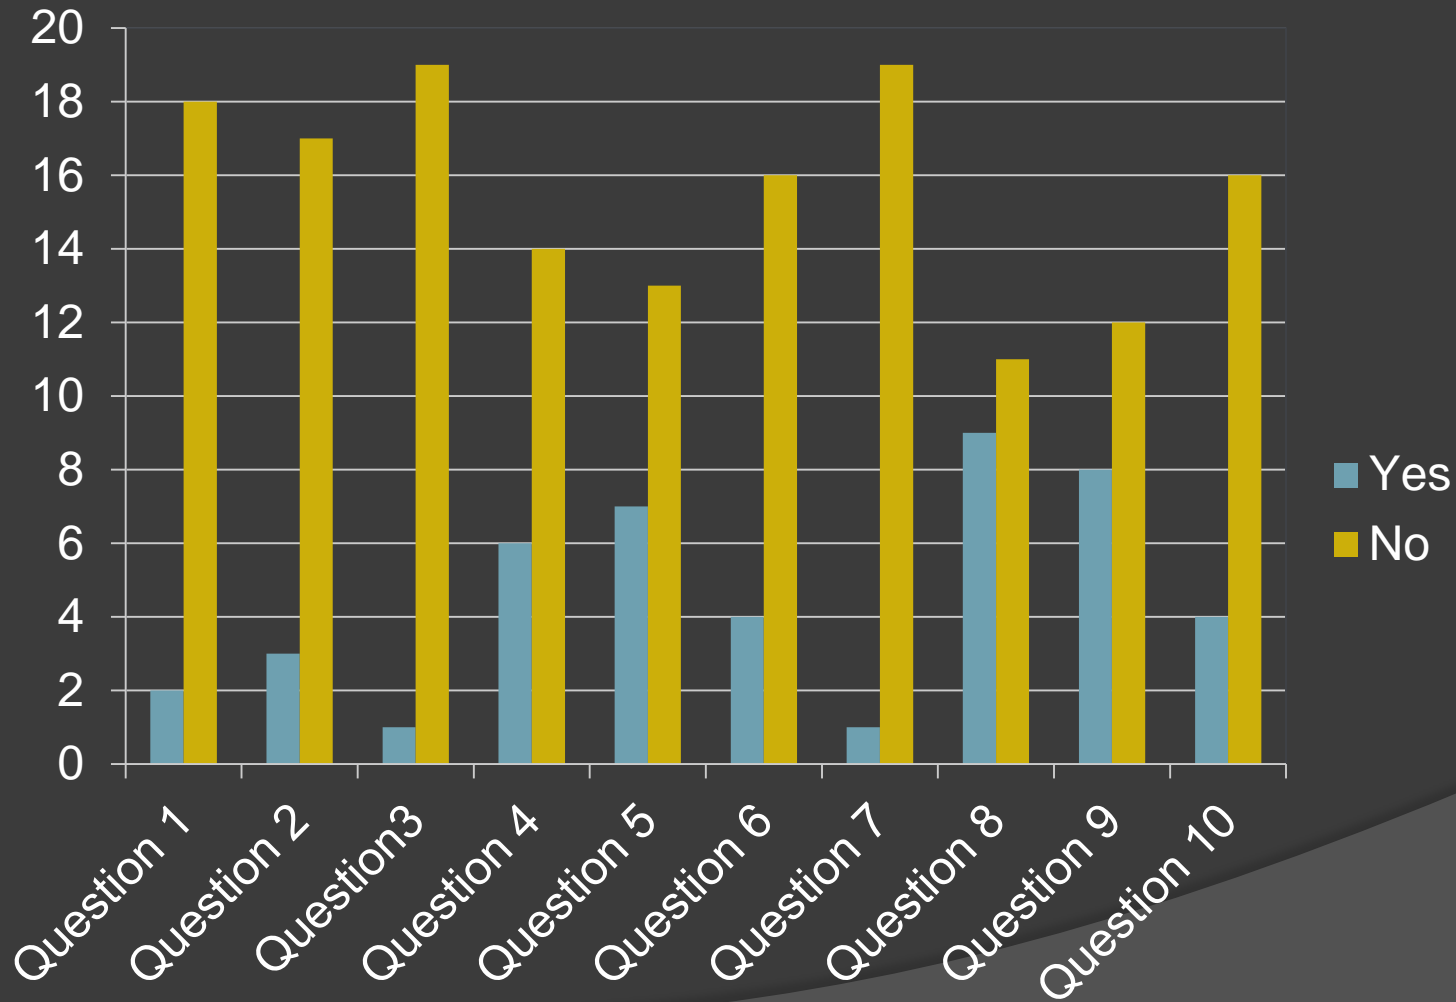

7. Do you sort out garbage at home ?

8. Do you buy a box of household waste that sort outs sold itself ?

9. Have you come across the posters or the board informed about recycling your current neighborhood ?

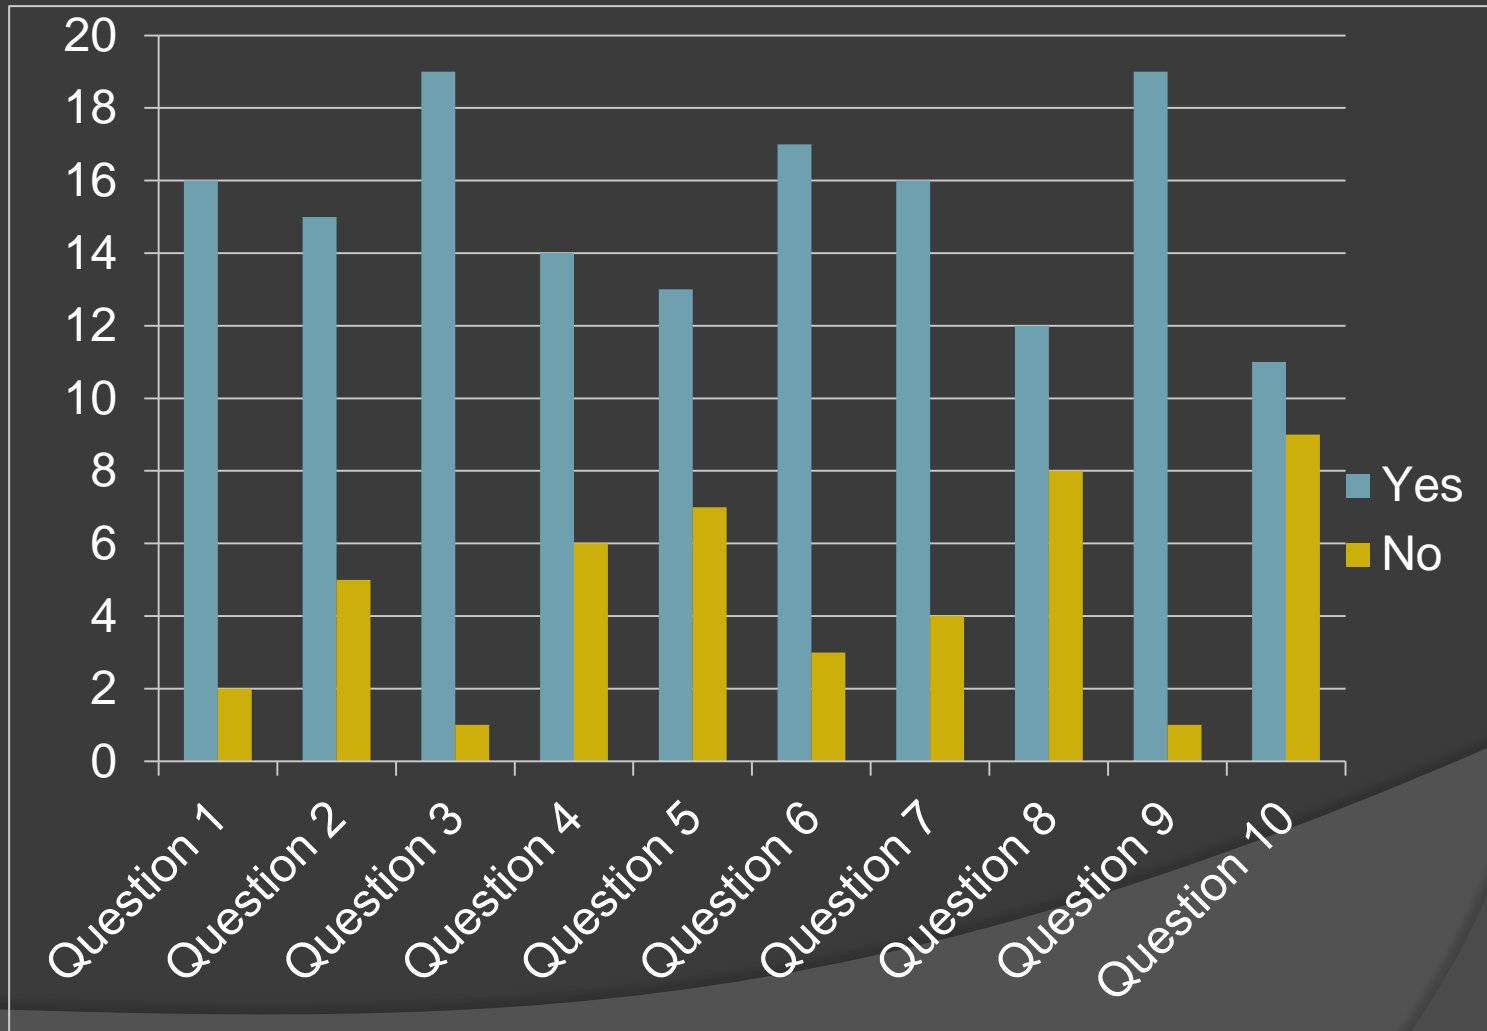

10. Are you an active participant in your neighborhood recycling campaign is initiated?

THE RESULTS OF THE INITIAL QUESTIONNAIRE

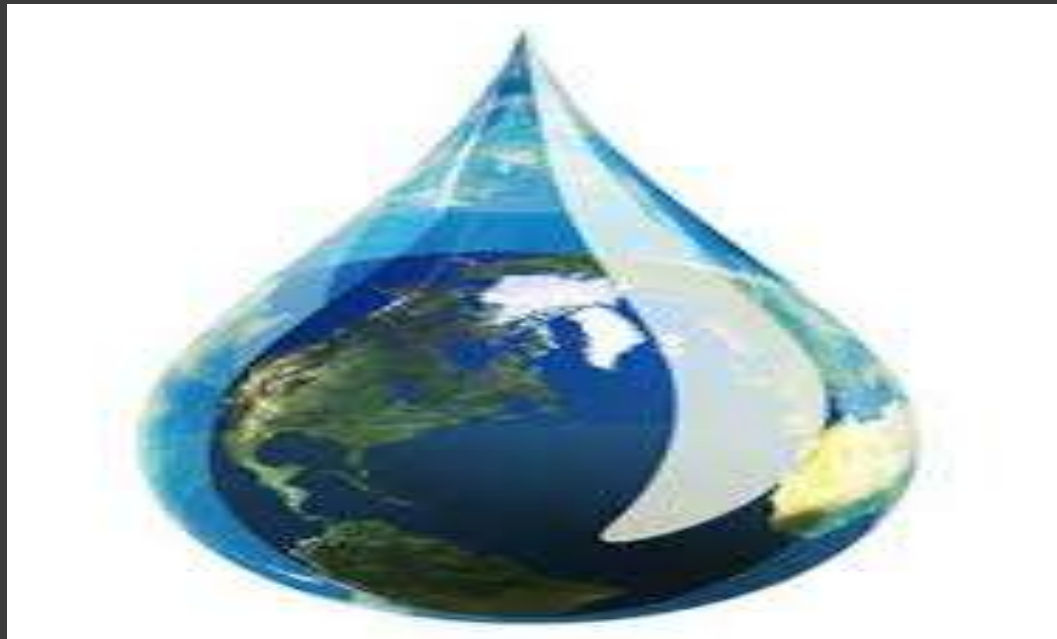

- ⦿ After carrying out the activities related to the protection of recycling the same questionnaire was applied , this time a visible progress can be seen.

THE RESULTS OF THE FINAL QUESTIONNAIRE
